*PROFESSIONAL PROFILE

Am a highly motivated and skilled student with a strong background in copywriting, marketing, Proofreading, HTML, and CSS. Proven ability to transcribe complex information accurately and efficiently. Strong understanding of marketing principles and the ability to effectively communicate through written materials. Proficient in HTML and CSS, able to create visually appealing and user-friendly websites. Adept at multitasking and working under tight deadlines. A dedicated team player with a strong desire to learn and grow in a professional setting.

* EXPERIENCE

April 2022-November 2022

Prime arts production
Social media manager.

As a former Social Media Manager, I have a proven track record of success in developing and implementing effective social media strategies for a wide range of clients. I am experienced in creating and managing social media content, including text, images, and video, and have a deep understanding of how to effectively use various social media platforms to reach target audiences.

I have a strong understanding of social media advertising, and have experience in creating and managing social media ad campaigns, targeting specific demographics and optimizing campaigns for maximum impact.

I have experience in identifying and leveraging influencers to promote a brand, and have a solid understanding of the importance of brand consistency across all social media platforms.

I am a creative problem solver with excellent communication skills, both written and verbal, and have experience in developing and implementing social media crisis management plans. I am also experienced in working with cross-functional teams, including marketing, sales, and customer service teams, to ensure cohesive and effective campaigns.

* EDUCATION

January 2022 - August 2022

freecodecamp.org
certificate in responsive web-design(HTML and CSS).

Being a highly motivated and skilled individual i received a certification from FreeCodeCamp.org in Responsive Web Design using HTML and CSS. This

certification demonstrates my proficiency in creating visually appealing and responsive websites that adapt to different screen sizes and devices. I have a solid understanding of HTML and CSS and am able to use these technologies to create clean and well-structured code.

August 2022 - November 2022

coursera.org
certificate for front-end development.

I also received a certification for completing my study in front-end development with proficiency in HTML ,CSS, BOOTSTRAP and SAAS.

January 2017 to April 2021

Our lady of fatima secondary school.
Kenya certificate for secondary education.

Kenya Certificate of Secondary Education (KCSE), which is a certificate that is awarded to students who have completed their secondary education in Kenya. This certificate demonstrates my advanced knowledge and skills in various subjects such as English, Mathematics, Physics, Biology, Chemistry, History, Geography and other elective subjects.

I have completed 4 years of secondary education, and have been exposed to a wide range of subjects that have given me a strong foundation in various areas of knowledge. This education helped me to develop strong analytical and problem-solving skills, as well as a good foundation in reading, writing and critical thinking. Additionally, the curriculum also included practical skills such as physical education, music, and arts, and computer studies which helped me to develop a well-rounded skill set.

January 2012 to December 2016

Bar olengo primary school.
Kenya certificate for primary Education.

Kenya Certificate of Primary Education (KCPE) which is a certificate that is awarded to students who have completed their primary education in Kenya. This certificate demonstrates my foundational knowledge and skills in various subjects such as English, Mathematics, Kiswahili, Science, Social Studies and Religious Education.

I have completed 8 years of primary education, and have been exposed to a wide range of subjects that have given me a strong foundation in various areas of knowledge. This education helped me to develop strong analytical and problem-solving skills, as well as a good foundation in reading and writing. Additionally, the curriculum also included practical skills such as physical education, music and arts, and computer studies which helped me to develop a well-rounded skill set.

The certificate also shows that I have passed the National Examination Council of Kenya (KNEC) examination, which is a standardized test that covers the material taught in primary school. This certificate is an important milestone in my education, and shows that I have the knowledge and skills necessary to move on to the next level of education.
